Letter of Recommendation

I wish to recommend Mecwind for their professionalism, dedication and know-how. They installed 66 Wind Turbines at Cookhouse Wind Farm.

Mecwind showed an extremely high standard of workmanship and accomplished great results in an extremely time-constrained project. We witnessed a talented team showing attention to detail and concern for quality.

Again, I highly recommend Mecwind for any Wind Turbine Installation project.

Yours sincerely;

Dr. J. Le R. Retief
